

Notice of Opening of the Temple to devotees from Saturday 4th July 2020

Statement from the Board of Trustees of Shri Venkateswara Balaji Temple of UK

Following the successful limited opening of the temple on 15 June 2020, we are delighted to announce the opening of the temple **from 10:00am on Saturday 4th July** to all devotees except for **those who experience coronavirus symptoms, their households, and those who are classed as vulnerable during this pandemic.**

As our overriding priority is still the safety of the devotees, priests, and the staff, and minimising the risk of virus transmission to near zero, it is vital that everyone follows the Government guidelines at all times within the temple complex.

To manage the flow and the devotee numbers in the temple within the guidelines, we have made the following changes:

During weekends & Bank holidays:

- As we expect a high volume of devotees during weekends and bank holidays, **a pre-booking system will be in operation** to limit the number of devotees attending the temple at the same time.
- Please book your arrival via the [link](#) on the website.

During weekdays:

- During weekdays, devotees will be allowed for darshan without any booking. However, we would request all devotees to strictly follow the Government's social distancing of 2 metres and other guidelines.

To help ensure that your visit is spiritually fulfilling while adhering to the Covid-19 guidelines, we have created a guide here: (Link) [You must ensure that you have read and understood this guide](#), which will help protect the safety and well-being of everyone.

We are grateful to all our devotees and visitors for their understanding and forbearance.
